Q: Do I have to stay for the entire practice/games?

A: For practices, if your child is in the Pee Wee & Freshmen division, **yes you must stay for the entire practice for safety reasons, as well as a comfort level for your child.** If your child is in the JV or Varsity divisions, you are not required to stay but are more than welcome too!

Please do not call your child(ren) over to you and/or enter the practice area to talk to your child(ren). This is a distraction to everyone, and we need as much time as possible to practice.

For cheerleaders only, once the cheerleaders are indoors for practices, if you want to stay for the entire practice, you are to stay in the waiting area. Please do not come to find your cheerleader and if they come out of the practice area, please don't call them over. This is a huge distraction, and we need to focus on practice.

For games days, especially away games, it is important that you are nearby for your child's comfort. If you must miss a game, please let your coach know who they can contact in your absence in case of an emergency.

Q: My child must miss practice and/or game. What is the policy for missed practices/games?

A: We know life happens outside of HLL; we ask that you notify your coach/team parent of any absence that may happen. Keeping in mind that when your child misses practice and/or games it affects the entire team. It is because of this we ask that your child isn't frequently missing practices/games.

Q: My child is a cheerleader. Will practice always be outside, especially in the fall?

A: We try to have the cheerleaders be outside as much as possible for practice. However, we live in WNY where the weather isn't always on our side. So, we go indoors around September, and we follow the football players' practice schedule 3 times a week. The location of the indoor practice will be announced in August.

Q: What is the Family Volunteer Fee and how is it refundable?

A: This organization runs solely volunteerism. To help have things run smoothly we ask our families to assist us with some volunteering. We have multiple jobs that we need assistance with both during practices & game days. To receive the family fee of \$50.00 back at the end of the season, each family must have 2 volunteer hours done throughout the season. We will have a sign-up sheet for game days – simply sign up and on the date/time show up, sign in sheet for when you have completed a volunteer job. This is our way of tracking these hours.

Frequently Asked Questions

Q: Where can I park at home field?

A: William D Williams Park has a main parking lot that is available for you to park during practices & game days. The top parking lot by the field is reserved for the HLL board members, head coaches, handicaps, EMTs & referees only. All others must use the main parking lot! The top parking lot is NOT to be used to drop off and this will be strictly enforced. Violators will be towed at the owner's expense!

Q: What is the pet policy?

A: HLL is located on the Town of Hamburg's property (which is a town park) and they have a **NO DOGS ALLOWED POLICY** in their town parks. If you have a medical reason for your dog to be present, please see a board member and bring the applicable paperwork.

Q: What is the Complaint/Grievance Policy?

A: While we all do our best to satisfy everyone, we know that is not always possible. If you have a complaint, we ask that you follow the protocol below:

- 1) The 24-Hour Rule should always be followed. If you are unhappy, please wait 24 hours for your nerves to settle before approaching anyone.
- 2) Any complaints should then be referred to your Head Coach. Please speak to the coach privately. Away from children & other parents.
- 3) If you do not get a satisfactory resolution, you should then consult the Commissioner, Coordinator or President.
- 4) If you are still dissatisfied, you have the right to file a formal complaint in writing to the Board of Directors.

Q: The weather outside is frightful, how will I know if practice/games are cancelled due to weather?

A: Yes, we practice & play in the rain. In the case of lightning, we go under cover, and resume practice/game after it has been clear for 15 minutes.

In the event of practice/games being cancelled in advance we will post on our website & social media sites as soon as it is cancelled. We also will have our team parents notify you as well.

Q: How much does it cost to attend a game?

A: Entry to the games is completely free including parking. However, each field may offer a place where they are selling items for purchase as well as they may participate in 50/50 drawings. These are both optional to participate in, and most likely only will accept cash as a form of payment.

****NOTE ~** if your child is participating in cheerleading competitions, there is a fee to enter each competition for spectators to attend. Prices are TBD and will be announced ASAP. All the cheerleaders (& mascots) entrance fees will be covered by HLL. For the league competition, HLL will also cover the cost for any football player that wants to attend the competition & wears his/her HLL jersey for support.
